

July 2021 Bulletin

Would you like to be on the Board of Directors?

We are looking for members of the community to join our team on the Board of Directors.

The Board of Directors oversee the work plan, individually take responsibility for particular tasks and represent Healthwatch when liaising with other agencies.

It means taking a little responsibility, but it is rewarding. It requires commitment, but it needn't be onerous. All directors are volunteers and we understand that everyone can take a step back when they need to.

Would you like to join our team and become a Director?

Are there specific areas of interest to you such as, children and young people, adult services or patient experience?

Would you like to become our Treasurer or Vice-chair?

If you would like to know more about becoming a Director, please call in for a chat or talk to Paul Charnock, our Chair of the Board.

You can contact Healthwatch on:

01720 423037

07748423704

or visit our website at

www.healthwatchislesofscilly.co.uk

We look forward to hearing from you!

Healthwatch Surveys Annual Report 2020-21

The reports from our recent surveys can be found on our website www.healthwatchislesofscilly.co.uk.

Unfortunately we had a limited response to these surveys.

We need your feedback!! Everything we do starts with what you tell us. We go the extra mile to make your comments count!

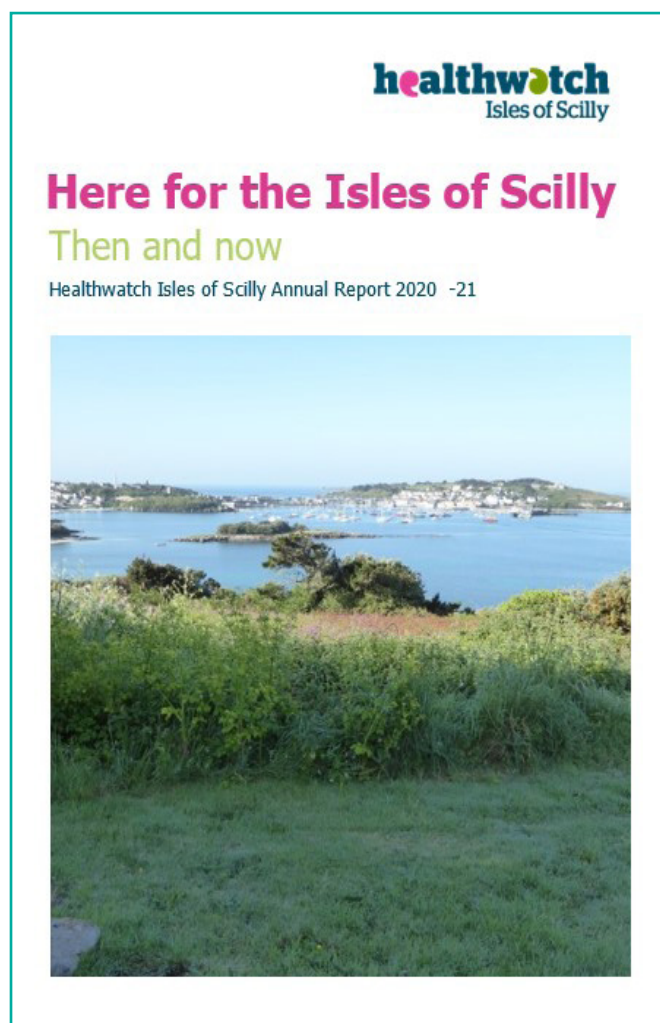

A.G.M

Our Annual General Meeting was held on 25 March and was well attended. Paul Charnock (Chair) and Jane Hurd stepped down as Directors and were re-elected.

Thank you to all those who attended. The minutes can be found on our website www.healthwatchislesofscilly.co.uk

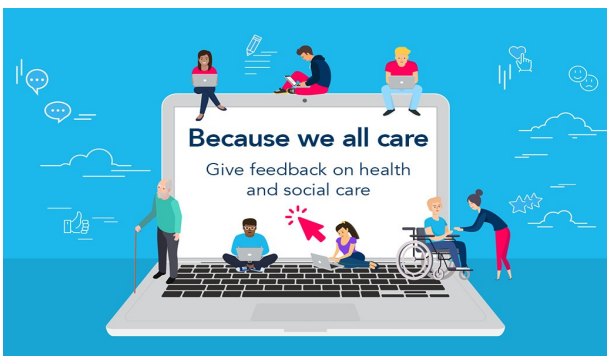

We have now published our 2020-21 annual report. You can find a copy at Mumford's newsagent or download a copy on our website: www.healthwatchislesofscilly.co.uk

Year of the Community Survey

Later in the year we will be sending out our two yearly Community Survey to all households across the islands. This year, we plan to have the survey accessible on-line, as well as paper based.

This will be your opportunity to tell us how well all health and care services meet the needs of islanders, and to provide you with the chance to tell organisations where things work well, or where they could be improved.

Community Engagement

We are very much looking forward to visiting all of the off-islands as soon as we are able to, so that you can tell us about any of your recent experiences of health and social care.

Notice Board

Don't forget that we have a notice board in town, on the wall in the alleyway next to Tideline, with lots of useful contact numbers and information on.

Keep in touch:
Sign up for newsletters and bulletins.

Leave your comments and observations at any time: in person, by email, or via the 'talk to us' form on our website
